

TANGO AND CHA CHA

- ▶ Tango is our boy Capuchin and Cha Cha is our girl Capuchin
- ▶ Tango and Cha Cha are unable to mate
- ▶ Tango loves head scratches and handshakes*
- ▶ Cha Cha loves her back scratched, have her tail played with, and play “this little piggy”*
- ▶ Tango and Cha Cha love you forage. We provide feeder toys that we hide snacks in so they can be engaged while they look for their snacks.
- ▶ Tango and Cha Cha’s favorite foods are corn, snap peas, grapes, bananas, peanuts, and yogurt
- ▶ Tango loves to look at himself in a mirror
- ▶ Cha Cha likes to play with handheld toys
- ▶ Tango and Cha Cha prefer quiet and calm settings. It is especially important to maintain inside voices when visiting and refrain from knocking on the glass
- ▶ Tango and Cha Cha are always excited to get new donated toys to play with! We use a variety of baby toys as well as dog toys.

*All handling is done by trained veterinary professionals
